

January 26, 1976

SENATOR SAVAGE: Any further discussion? Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature. I think, in adopting the Burrows amendment, we're going a little too far. The question I raise, I don't think we want to strike that material clear out because that would eliminate these people from....

SENATOR SAVAGE: Senator Stull, we've already adopted the Burrows amendment.

SENATOR STULL: I know it but I'll talk on what I was talking about before. We're striking out of the Statute that these people don't even have to keep a record of their sales. I don't think we want to do that. We're going further than we should. I support what Senator Chambers is trying to do but I don't think we want to strike this material out of the Statute. We've got a two-fold problem here.

I hope, while this bill is bracketed, someone will work on that and try to straighten out the problem that's before us. Thank you.

SENATOR SAVAGE: The ques..... If there is no further discussion the question is Senator Goodrich's motion to bracket. All those in favor vote aye, those opposed vote nay. Please vote. Savage voting aye. Record.

CLERK: 25 ayes, 0 nays, 24 not voting.

SENATOR SAVAGE: LB 431 is bracketed.

CLERK: The next bill that I think comes up is LB 460, Mr. President. There are some amendments on it, but there's also an amendment offered by Senator Maresh who's been excused for the day.

SENATOR SAVAGE: Let's just take up the ones that are pending.

CLERK: Read Kelly amendment found on page 367 of the Journal.

SENATOR SAVAGE: Senator Kelly.

SENATOR KELLY: Mr. President, members of the Legislature. This amendment to 460 would be a savings to the Department of Aeronautics in the neighborhood of \$12 to \$15 thousand in printing and mailing out registration certificates of the federal pilot licenses of those Nebraska citizens that have these federal pilot licenses. The state certificate is of no value whatsoever. The Maresh amendment, that we'll be discussing, says that the Department needs some money to pay tuition for families living on airports.

This amendment that does away with superfluous paperwork will save them the \$15,000 that they need to pay that tuition with. I move the acceptance of the amendment.

SENATOR SAVAGE: Any discussion? Hearing none the question is to adopt the Kelly amendment to LB 460. All those in favor.... All those in favor vote aye, all those opposed vote nay. Record.
